MEMORANDUM FOR: Deputy Director for Plans

FileVIA : Chief, CI Staff
Chief, FI/OPScopy in
each including
Cable. C-88643SUBJECT : Headquarters Briefing for Representatives
of the Mexico City American Chamber of
Commerce

C-98263

27 April 66 - Leo Dunn confirmed that he has received
the names and biodata from Tony Malone, WH/SEC Officer
and that checks for AD HCC clearances, incl. FBI indices
are underway. 1/2/66

1. This memorandum is for your information only. C-71563

2. The Chief of Station Mexico has advised that a group, representing the American Chamber of Commerce in Mexico City, will be in Washington 30 April through 4 May to attend the 1966 National Conference of the U.S. Chamber of Commerce. The Chief of Station Mexico has requested that Headquarters representatives meet and brief the delegation concerning recent developments within the communist movements in Latin America and, of more specific interest, present Soviet, ChiCom and Satellite objectives and activities in Mexico.

3. A similar group was briefed by Mr. Fitzgerald, then Chief, WH Division, and W.J. Kaufman Chief, WH/1, on 22 April 1965. This year, because of my scheduled absence on a trip to Latin America, it is proposed that Mr. Esterline, Deputy Chief of WH Division and Mr. Kaufman, Chief Mexico Branch, WH Division will meet and brief them on the morning of 3 May. The delegation will be met at the main entrance and escorted to 1 D C415 for the briefing which should not take more than one hour and a half. It is not planned at present to take any member of this delegation to any other office in the Headquarters building and there has been no request for meetings with the Director of Central Intelligence or his immediate staff.

4. [redacted] of the Mexico Branch, WH Division, will be the Control Officer for this visit and may be contacted for any additional information required on x4523/4524 or Red 9322.

28 April 1966: Note for Record: After discussions re. this proposal with C/CI/OP,

WH/1 [redacted] and Leo Dunn, SC/Personnel Security Div, RL4 391, it was agreed by all that a PCA is not the appropriate clearance action to cover briefings of these U.S. citizens (identified in [redacted] file CIC/N-85656, copy attached) William V. Broe Chief, [redacted] Western Hemisphere Division at CIA HQ. Instead, it was agreed that WH should submit names and bio to Leo Dunn, SC/PSD, for processing of AD HCC (Secret/Conf) clearances, good for one time only, to be based primarily on FBI file check. Dunn [redacted] will process all 10 this way, including the 3 which already have Section OAs. [redacted] [redacted] [redacted]
